Date: 09/02/2017

7. Declaration Information: Incident Period: 08/23/2017 and continuing

Date Issued	Declaration	Remarks
08/25/2017	FEMA-4332-DR-TX	The President issued a Major Disaster Declaration for Bee, Goliad, Kleberg, Nueces, Refugio and San Patricio for debris removal (Category A) and emergency protective measures (Category B). Including direct federal assistance under the Public Assistance Program and for Individual Assistance. All areas within the State of Texas are eligible for assistance under the Hazard Mitigation Grant Program.
08/27/2017	FEMA-4332-DR-TX Amendment No. 1	Major Disaster Declaration for the State of Texas amended to include Aransas, Brazoria, Calhoun, Chambers, Fort Bend, Galveston, Harris, Jackson, Liberty, Matagorda, Victoria and Wharton counties for Individual Assistance and debris removal (Category A) and emergency protective measures (Category B) including direct federal assistance under the Public Assistance Program and Bexar County for emergency protective measures (Category B) under the Public Assistance Program..
08/30/2017	FEMA-4332-DR-TX Amendment No. 2	Major Disaster Declaration for the State of Texas amended to include Colorado, Fayette, Hardin, Jasper, Jefferson, Montgomery, Newton, Orange, Sabine, San Jacinto and Waller counties for Individual Assistance and debris removal (Category A) and direct federal assistance under the Public Assistance Program In addition, Dallas, Tarrant and Travis counties for emergency protective measures (Category B).
09/01/2017	FEMA-4332-DR-TX Amendment No. 3	Major Disaster Declaration for the State of Texas amended to include the following areas among those areas determined to have been adversely affected by the event declared a major disaster by the President in his declaration of August 25, 2017. Polk, Tyler, and Walker counties for Individual Assistance and assistance for debris removal and emergency protective measures (Categories A and B), including direct federal assistance, under the Public Assistance program.
09/02/2017	FEMA-4332-DR-TX Amendment No. 4	The President amended the Major Disaster Declaration to authorize a 90 percent Federal cost share for debris removal, including direct Federal assistance; and a 100 percent Federal cost share for emergency protective measures, including direct Federal assistance, for 30 days from the start of the incident period, and then a 90 percent Federal cost share thereafter.
8. Current Situation: Operations over the past 24-hours have proven productive in reducing the water blocking state highway I10 in Jefferson and Orange Counties near Houston (Harris County). All rivers are within their banks, with the exception of the Trinity River, which is still high and has produced flooding in neighboring subdivisions. U.S. Army Corps of Engineers (USACE) confirmed all ports are open, but some have restrictions.		
9. Fatalities/Casualties:		
9a. Fatalities: Texas District Coordinator 16 Houston (Harris County) reported 29 confirmed fatalities		
9b. Hospitalizations: Not available at time of report		
9c. Injuries (Major and Minor): Not available at time of report		
10. Extent of Damage: There were 47 drinking water systems and 34 waste water systems that were inoperable.		
10a. Specific Metrics (Area flooded, flood depth, total acres burned, number of aftershocks, etc): Not available at time of report.		
10b. Structures Damaged: There are 51 nursing homes closed along with 21 (-3) dialysis facilities.		
10c. Structures Destroyed: Not available at time of report.		
10d. Power Outages: There were approximately 75,236 (-37,541) without power.		
11. Evacuation Status: Mandatory evacuations remain in low-lying areas and along rivers within the counties of Beaumont, Brazoria, Hardin, Harris, Jasper, Tyler, and Waller.		
There were zero (0) hospitals evacuated as of 09/03/2017.		

12. Significant Impacting Weather in the past O-Period: No significant weather occurred during the operational period, however, for the ongoing flooding there were River Flood Warnings in effect for the Brazos (Moderate to Major flooding), Guadalupe (Moderate flooding), Neches (Major flooding), Sabine (Major flooding), San Bernard (Major flooding), and Trinity Rivers (Moderate to Major flooding), as well as the Buffalo Bayou (Major flooding) and Pine Island Bayou (Major flooding). The Guadalupe River at Victoria (Victoria County) dropped below Minor flood stage. The Guadalupe River near Bloomington (Victoria County) dropped below Major flood stage. The Trinity River near Moss Bluff (Liberty County) dropped below Major flood stage. The East Fork San Jacinto River near New Caney (Montgomery County) dropped below Minor flood stage. The Neches River at Evadale (Jasper County) dropped below Major flood stage. The Sabine River near Burkeville (Newton County) dropped below Minor flood stage. The Sabine River at Orange (Orange County) crested at 7.83 feet in Major flood stage. The Buffalo Bayou at Piney Point Village (Harris County) dropped below Major flood stage.																																																									
13. Threats to Human Life: There are 171 boil water notices (+5). Tetanus and flu shots have been delivered. Concerned with vector control in the affected areas.																																																									
14. Threats to Structures: Unknown at this time.																																																									
15. Threats or Disruptions to Infrastructure, Significant: Unknown at this time.																																																									
16. Critical Resource Needs: District Coordinator 16 Texas City (Galveston County), is requesting assistance from public works department to help with the inoperable waste water plants which cannot be accessed until flood water drops at least another three (3) feet. Additional support needed from FEMA for aerial spraying for vector control.																																																									
17a. Operations: Public Assistance (PA): NSTR																																																									
17b. Operations: Hazard Mitigation (HM): National Flood Insurance Program (NFIP) submitted 71,000 claims, and \$6.2 million in advanced payments. There are 523,000 policies in force.																																																									
17c. Operations: Tribal Relations: Not available at time of report.																																																									
17d. Operations: Air Operations: Data reported in section 9. Search and Rescue.

17g. Operations: Environmental and Historical Preservation (EHP): NSTR

18a. ESF #1 -Transportation: Texas Department of Transportation (DOT) reported 142 (-34) road closures, down from 176. Beaumont interstate I10 is the only interstate closed.

All airports open although some are operating with restrictions.

All ferries are open, to include ferry operations in Galveston (Galveston County), however Port Aransas Ferry is only for official business.

18b. ESF #2 – Communications: There are a total of 36 non-mobile switching centers out in Texas. Power has been restored to the AT&T switch in South Houston (Harris County). There were 2.4 percent (down from 3.8 percent) of the cell sites down.

18c. ESF #3 – Public Works/Engineering: There are 47 drinking water systems and 34 sewer systems inoperable. Limited or no water capacity in 20 of 35 declared counties and reduced capabilities in two (2). Beaumont (Jefferson County) will be on boil water notice for another three (3) or four (4) weeks.

18d. ESF #4 – Firefighting: NSTR

18e. ESF #5 – Emergency Management: The following IMAT Teams are deployed to Texas: R6 IMAT 1 (Corpus Christi Branch 3), R5 IMAT

(San Antonio Branch 4), R6 IMAT 2 (Austin SOC), R8 IMAT and NIMAT West (SOC Austin Branch 6), R7 NIMAT East (Houston, Harris County Branch 2).

18f. ESF #6 –Mass Care:

Transitional Shelter Assistance (TSA) had 53,000 evacuees in hotels.

Voluntary Organizations: American Red Cross (ARC) tracked 284 (+14) shelters with an overnight population of 36,795 (-3,716) personnel and served 348,489 meals. The Salvation Army (TSA), along with joint partners have prepared 265,700.

18g. ESF #7 – Resource Support:

Number Ordered	En-route ISB/FSA	Arrived - ISB/FSA	Released to State
201	51	147	0
26,927,120	2,825,704	7,979,462	5,107,296
8,000	0	8,064	0
24,188	1,560	22,426	0
42,464,606	4,944,318	11,131,883	4,547,822
128,002	0	128,937	13,995
8,461	14,284	44,929	13,472
600,000	6,000	96,480	0
445	193	218	67
63	8	7	0
35	4	3	0

18h. ESF #8: Public Health/Medical Services: Total ESF-8 costs to the state is \$17,192,164.

Over 1,700 medical patients have been evacuated or transferred from multiple facilities.

There have been 12 (7%) hospitals evacuated/closed, 0 hospitals currently evacuating, four (4) (-1) hospitals sheltering in place and one (1) hospital requesting staffing resources. Nineteen hospitals have reopened.

General Population Shelters: There are 226 (-44) shelters open with a population of 32,399 (-4,396).

Medical Shelters: NRG has a 23 person census; 227 beds available. San Antonio has 45 person census; 60 beds available.

Texas Department of Health Services (DHSs) requested assistance to develop a plan and strategy for implementing effective control measures in the Hurricane Harvey impacted areas.

18i. ESF #9: Search and Rescue: Incident Support Team

Search and Rescue: FEMA ESF #9 Blue IST mission totals: 1,612 lives saved and 4,841 lives assisted along with 237 animal evacuations. The evaluation of excess resources continued today and a plan to release resources continues to evolve. Maintaining situational safety continues to be a critical issue as personnel become more fatigued. Texas State and Wildlife conducted 161 rescues.

Missions to date	Personnel	Pets
THP	1,520	/
TXTF 1 and 2	25,807	330
USCG	10,953	1,379
TPWD	11,169	/
TMD	2,558	259
Total	52,007	1,968

18j. ESF #10: Oil/Hazmat Response: U.S. Environmental Protection Agency (EPA) conducted initial assessments at 41 Superfund sites in the impacted areas using aerial images, as well as direct contact with the parties responsible for on-going cleanup activities. EPA determined that 28 Superfund sites in the area do not currently show damage or excessive flooding associated with Harvey. EPA determined that 13 sites have been flooded and/or are experiencing possible damage due to the storm. Of these sites, two (Falcon Refinery and the Brine Service) have been inspected and it has been determined that they do not require emergency cleanup; although, additional sampling in the area will continue to be conducted.

Eleven sites, including: Bailey Waste Disposal, French LTD, Geneva Industries/Fuhrmann Energy, Gulfco Marine, Highland Acid Pit, Malone Services, U.S. Oil Recovery, Patrick Bayou, Petro-Chemical Systems, Triangle Chemical, and San Jacinto Waste Pits have not been accessible by response personnel. Teams are in place to investigate possible damage to these sites as soon flood waters recede, and personnel are able to safely access the site.

18k. ESF #11: Agriculture/Natural Resources: Coordinated with the Texas Animal Health Commission, FEMA Mass Care, and the FEMA Disaster Survivor Assistance Team for unmet pet needs. Most gaps with pet sheltering are being addressed locally with numerous donations (people and supplies).

18l. ESF #12 Energy: There were 77,991 customer outages (<1% of total state customers).

Refineries Restarting: Seven (7) 15.8% of total Gulf Coast [Petroleum Administration for Defense Districts (PADD 3)] refining capacity and 8.3% of total U.S. refining capacity.

Refineries Shut Down: Nine (9) 24.3% of total Gulf Coast (PADD 3) refining capacity and 12.7% of total U.S. refining capacity.

Refineries Reduced Rates: Four (4) 13.8% of total Gulf Coast (PADD 3) refining capacity and 7.2% of total U.S. refining capacity. As of September 3, 59 oil vessels remain waiting off Texas ports of Corpus Christi (Nueces County), Houston (Harris County), Galveston, Freeport, Texas City, Beaumont (Jefferson County), Nederland, Port Arthur, Port Neches, Sabine (Jefferson County), and the Louisiana port of Lake Charles. The vessels carry an estimated total of 45.2 million barrels of crude oil.

18m. ESF #13: Public Safety/Security: Texas Highway Patrol had 1800 personnel on staff. SAR operations have decreased and the mission has transitioned to safety security to prevent looters and theft.

18o. ESF #15: External Affairs (EA): Supported federal response activity messaging needs, fielded FEMA news desk calls and performed field work throughout the Corpus Christi (Nueces County), Dallas (Dallas County), Fort Worth (Tarrant County), Houston (Harris County), San Antonio (Bexar County), and Victoria (Victoria County) media markets to support ongoing response efforts.

Joint Information Center (JIC): Responded to two (2) media inquiries, seven (7) television, three (3) radio and one (1) print media outlet to discuss assessment, insurance, FEMA programs, Disaster Recovery Center (DRC), DSA, Transitional Shelter Assistance (TSA), and cleaning up and military airlift of commodities.

Congressional Affairs (CA): Received and closed three (3) inquiries from Rep. Michael McCaul and Rep. Ted Poe on debris removal, Disaster Recovery Center (DRC) and tetanus vaccine shortages.

Limited English Proficiency (LEP): Created a one page/two faces registration flyer in English and Burmese. Translated "Keeping Children Safe" fact sheet in Spanish, Vietnamese, Tagalog, Urdu, Korean and Arabic.

Private Sector (PS): Participated in the National Business Emergency Operation Center (NBEOC) conference call regarding Hurricane Harvey response and pending Hurricane Irma impacts.

20. Logistics: NSTR**21. Planning: NSTR****22. Safety: NSTR****23. Security: NSTR****24. Disability Integration:**

Disability Integration Advisors and American Sign Language Interpreters are dispatched to Houston area Mega Shelter, Dallas area Shelters and are working with Disaster Survivor Assistance crews.

American Sign Language Interpreters are at Mobile Disaster Recovery Center in Edna, Jackson CountyTX in support of FEMA-4332-DR-TX.

Disability Integration Advisors have interacted with one hundred seven (107) survivors thirty nine (39) were survivors with disabilities.

25. Joint State/Federal Objectives for Next Operational Period:

700 09/04/2017 to 0700 CDT 09/05/2017

1. Provide support for the safety of responders and citizens by observing and practicing recognized safety-related guidelines.
2. Mobilize resources and respond to requests for search and rescue, evacuation, sheltering, and medical operations.
3. Provide requested resources to the Disaster District Coordinators (DDCs) in a timely manner to meet the needs of survivors, including lifesaving and stabilization operations and life-sustaining materials and supplies.
9. Provide accessible mass care survivor support to include sheltering, feeding, evacuations, reunifications and transitional sheltering assistance.
4. Stabilize and restore critical infrastructure to minimize threats to public safety and facilitate recovery.
13. Provide disaster survivor support at Disaster Recovery Centers (DRC).
5. Maintain communication and information flow regarding resources with appropriate federal, state, and local stakeholders and assuring coordination through the affected Disaster District Coordinators (DDCs).
- 7a. Provide accurate, actionable and accessible survivor-centric information to all stakeholders on response activities and initial recovery efforts.
10. Identify temporary short-term housing requirements. Implement TSA and develop long term housing strategy.
- 8c. Conduct survivor registrations in shelters, first responder locations, and other locations in coordination with local officials.

11. Conduct Assess, Inform, and Report (A.I.R.) mission.
12. Provide technical assistance to local applicants for debris operations.
